

Laulima...

Many Hands Working Together

Presented at  
National Sexual Assault Conference  
“Many Voices, One Movement”  
August 21, 2014  
Pittsburgh, Pennsylvania

Today's presentation:

*To share Hawaii's community mobilization approach to  
implement the Rape Prevention and Education  
Sexual Violence Primary Prevention Plan*

# Presenters

# Laulima...

## Many Hands Working Together

# Hawaii's Community Values

- × Laulima
- × Sense of connectivity
- × Spirit of “Aloha”

## State of Hawaii

Population: 1.4 million

6 Main Islands:

Kauai

Oahu

Maui

Molokai

Lanai (Larry Ellison-  
privately owned since 2012)

Hawaii

Others

Kahoolawe

Niihau

# Familiar Faces from Hawaii

## Hawaii State Sexual Violence Prevention Plan

*A Hawaii where people are free from sexual violence and where sexual respect and healthy relationships flourish*

# RPE Work Group

- × Hawaii State Department of Health
- × Hawaii Coalition Against Sexual Assault (HCASA)
- × Hawaii State Department of the Attorney General

# Department of the Attorney General Community Action Seminar Model Hawaii's Diversity = A Diverse Approach

- × Assets-based approach
- × Multi-disciplinary team approach
- × Addressing root causes to underage drinking, substance abuse prevention, violence prevention, and other at-risk youth issues

# A Community Mobilization Approach

- × Crime prevention approach in the late 80's/early 90's
- × Fulfills people's rights to participate and determine their own future
- × Local solutions to local problems
- × Community driven, likelihood of efforts lasting long after the project ends

# Community Action Seminar (CAS)

# CAS: Economic Development

## Adapting the CAS Model to Hawaii's Sexual Violence Prevention Plan

- × Creation of Community Action Teams (CATs)
- × Annual Training Meetings (included informational sessions and action planning)
- × Follow-Up and Technical Assistance
- × Data Collection and Evaluation

# Getting Started: The First CAT Training Meeting

## GOAL:

- × Bring together community-based teams to develop community action plans that aligned with the Sexual Violence Prevention (SVP) Statewide Plan.

## OBJECTIVES:

Community-based teams will have the opportunity to:

- × Obtain information on how to support the SVP plan
- × Develop strategies for implementation of the SVP plan
- × Develop strategies on how to sustain their own community action plan

# Team Building

# The Community Action Teams

## Laulima...Many Hands Working Together

# CAT Action Plan Worksheets

Sexual Violence Primary Prevention Community Action Seminar

revised 9/7/11

## Resources Worksheet

Team Name \_\_\_\_\_ Project/Activity \_\_\_\_\_

List the resources that team members are able to provide.

| Resource                | Source/Organization | Contact Person   | Phone / Email | Responsible Team Member |
|-------------------------|---------------------|------------------|---------------|-------------------------|
| (example) swimming pool | Park and Recreation | Mr. Conrad Jones | 555-1212      | Betty Personne          |
|                         |                     |                  |               |                         |
|                         |                     |                  |               |                         |
|                         |                     |                  |               |                         |
|                         |                     |                  |               |                         |
|                         |                     |                  |               |                         |
|                         |                     |                  |               |                         |
|                         |                     |                  |               |                         |
|                         |                     |                  |               |                         |
|                         |                     |                  |               |                         |
|                         |                     |                  |               |                         |
|                         |                     |                  |               |                         |

## Collaborators Worksheet

Team Name \_\_\_\_\_ Project/Activity \_\_\_\_\_

List future community partners the team would like to work with.

| Organization or Individual            | Role  | Phone / Email | Responsible Team Member |
|---------------------------------------|---|---------------|-------------------------|
| (example) Hawaii Community Foundation | Funding information/possible funding source | 537-6333      | Joe Calabash            |
|                                       |   |               |                         |
|                                       |   |               |                         |
|                                       |   |               |                         |
|                                       |   |               |                         |
|                                       |   |               |                         |
|                                       |   |               |                         |
|                                       |   |               |                         |
|                                       |   |               |                         |
|                                       |   |               |                         |
|                                       |   |               |                         |
|                                       |   |               |                         |
|                                       |   |               |                         |
|                                       |   |               |                         |

# ACTION PLAN WORKSHEET

|  |                     |                     |
|--|---------------------|---------------------|
| Team Name  | Team Leader/Advisor | Day Phone and Email |
| What is our community problem?   |                     |                     |
| What level of prevention will our activity focus on to solve our community problem? (circle the appropriate answer)<br><div style="display: flex; justify-content: space-around; font-size: small;"> <span>Individual</span> <span>Family</span> <span>Community</span> <span>Society</span> </div>  |                     |                     |
| What age group will we focus on to solve our community problem? (circle the appropriate answer)<br><div style="display: flex; justify-content: space-around; font-size: small;"> <span>10 – 12 yrs old</span> <span>13 – 15 yrs old</span> <span>16 – 18 yrs old</span> <span>18 – 21 yrs old</span> <span>Other</span> </div>   |                     |                     |
| What activity will help solve our community problem? (Review day 1 agenda and Sexual Violence Primary Prevention (SVPP) Plan for ideas)<br><br><br><br><br><br><br><br><br><br><div style="text-align: center; font-size: small;">             When choosing activities remember to consider how they will be culturally responsive to the selected audience<br/>             (ex: consider ethnicity, gender, urban / rural, etc.)         </div> |                     |                     |
| <b>Based on the activity and audience selected above, what outcome(s) do you expect ?</b><br>(Who or what will change, in which direction (increase or decrease), by how much, and by when?)   |                     |                     |
| <b>Use the “Resources” and “Team Roster” worksheets to list the resources (people, programs, materials, funds, etc.) THAT YOUR GROUP CURRENTLY HAS to do the activities your group selected.</b>   |                     |                     |
| <b>Use the “Collaborator” worksheet to list the resources (people, programs, materials, funds, etc.) THAT YOUR GROUP NEEDS TO GET to do the activities your group selected.</b>  |                     |                     |
| <b>Create an action plan and include the elements on the next page.</b>  |                     |                     |

# Waianae CAT

# CAT: Waianae

# Military CAT

# Follow-up and Technical Assistance Annual CAT Training Meetings

- × Information
- × Skill building
- × Sharing of local and national resources
- × Networking opportunities for collaborative partnerships
- × Action plans – successes, roadblocks, update/revise as necessary
  - × Recommendations made by other teams/team members to assist on a team's roadblocks

# Annual CAT 2012

- × Limited Funding
  - × Team sustainability
  - × Supporting one another
  - × Team leader and a representative from the team
- × Networking
- × Resource Sharing

# Annual CAT 2013

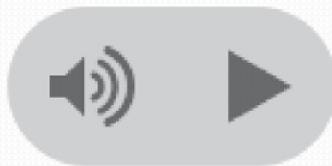

## CALCASA Partnership

A scenic view of a bay at dusk. In the background, a large, dark mountain rises against a cloudy sky. To the right, a city skyline is visible. In the foreground, a rowing team of six people is silhouetted against the water, moving across the bay. The water is dark, and there are some colorful lights reflecting on the left side.

Questions?

“Aloha from the Laulima Team”
